Golden Craftsmanship

Each luxury lift & recline chair is hand crafted in our facility using decades of motion furniture experience.

Added Comfort and Safety

Designed to perform year after year using advanced technology backed by the best warranty.

Smart Engineering

Smooth, quiet lifting system offers a secure lift for the best performance.

* See Customize Chart for Dimension limits
Sizes may vary depending on fabric, filling material, upholstery and carpet thickness. All measurements taken on concrete floor using levels and metal rulers.
** Value Series fabrics not available on PR607.

Smart Tek

Our luxury lift & recliners are equipped with electronics able to assure a secure lift every time you need it.

Literature is current at time of printing. Golden Technologies reserves the right to make changes to the product or literature at any time.

Our chairs meet some of the toughest safety standards ever. Our entire chair meets ETL (Electrical Testing Lab) standards to ensure electrical safety. ETL is a nationally recognized, third party testing facility.
